

SEASON OF GIVING

Dear BBB Friends,

I want to express my deepest gratitude to you for your support of Bit-By-Bit Therapy, Inc. It is through the generosity of our committed donors and friends such as yourself that Bit-By-Bit has been able to expand and grow so much over the past year. Since January we have:

- Increased the number of therapy visits by over 40% compared to last year.
- Added 3 new speech therapists as well as 2 new OT's and 1 PT to our staff.
- Added "ground therapy" sessions to compliment the equine assisted therapy that our clients already receive.
- Doubled our veterans program "Horses for Heroes" thanks to funds raised from our annual Meggan Morency Wild West Night.

It has been an epic year of growth for Bit-By-Bit and we are quickly running out of room! To accommodate the growth of our programs, we will soon be acquiring a new modular building, thanks to the generosity of the Chive Charities, which will provide space for two additional therapy rooms. Ground sessions are an integral part of an individual plan of care developed for each child in our program. Specialized equipment is needed to assist us in providing this therapy.

We are so excited to be able to provide these expanded services to our clients. Please join me this season of giving with a gift to help outfit our new building with much needed new therapy equipment.

Therapy Equipment:

- \$10 Sensory Brushes
- \$25 Sensory Toys

- \$75 Children's Weights
